

E-BROCHURE

Wayfinder

Capable of worldwide operation, WAYFINDER catamaran can be booked as a charter yacht in her own right or, more usually, as a support vessel to a mothership.

WAYFINDER features a stylish yet practical heli-lounge where guests can wait for their helicopter transfer, and two dedicated areas for dining, which are enhanced by breathtaking sea views.

She can sleep 12 guests across 11 well-appointed cabins, including nine single cabins and two twin cabins, each equipped with ensuite facilities.

WAYFINDER has room onboard for a dedicated crew of 19-20 maritime professionals ready to attend to your every need with impeccable service. Drawn from various yachts and ships across the globe, the crew includes Master Mariners, RYA Yachtmasters, a dive instructor, deck medic, ex-military & Merchant Navy officers/engineers, Royal Yacht chefs and well-trained interior crew from the largest mega yachts in the industry.

WAYFINDER's large open aft deck provides room for a helipad to take the stress out of arrivals and departures. It also doubles as a pickleball court when not in use, adding a touch of recreational versatility to the luxurious onboard experience.

There is also an extraordinary selection of water toys, which include jet-skis, paddleboards, Seabobs, and other exciting options. Whatever your preference, there's a perfect choice to suit every fancy.
